

“Bricks to Music and Dance”

**The Pride and The Dixie Darlings
The University of Southern Mississippi**

Time is of the Essence!

“Bricks to Music and Dance” gives you the opportunity to participate in the replacing of Memorial Drive with a brick walkway between The Dome and Bennett Auditorium.

Bricks can be emblazoned with your name, your company or organization’s name, or the name of a graduate, family member, or friend.

If you have further questions...
