FOUNDATION SCHOLARSHIPS

Students majoring in an academic area within the College of Business (COB) may apply for scholarships awarded through the Southern Miss Foundation. The factors considered in awarding scholarships include donor-stipulated conditions, the academic record, or degree of financial need. If you meet one of the special donor-stipulated conditions as specified in the scholarship listing, please be sure to include this information in your application. Note that when you submit this application, you will be considered for ALL of the scholarships for which you are eligible.

Descriptions of these scholarships are available online at <http://www.usm.edu/registrar/catalog2006/undergraduate/index.html> Go to pages 48 – 52. Scholarships designated by an * signifies that the recipient is chosen by the COB.

Scholarships **without** an * are awarded by Financial Aid. Contact the Financial Aid office for more information. For those scholarships requiring “financial need,” the applicant must file a FAFSA with Financial Aid to be considered.

Scholarships are awarded in two separate semesters—half in Fall 2007 and half in Spring 2008. If you are awarded a scholarship and graduate in Fall 2007, you will only be awarded half the scholarship.
