

Article Review

Complete APA bibliographic reference:

Gruber, B. (1999). Boost learning with word walls. *Teaching PreK-8*, 30 (1), 64-65.

Three to five descriptor terms that best describe the topic:

Main: Learning, reading, word walls, spelling

Type of Article:

Other: Classroom Practice

Levels:

Kindergarten, Lower Elementary (1-3), Upper Elementary (4-5)

Briefly stated major purpose(s) of the study:

This article explores the versatility of utilizing word walls for “helping children how to read and spell high-frequency words” (64). Teachers can purchase a Word Wall or create one of their own. This gives teachers the opportunity to help one another in the classroom by creating an effective “home-made” Word Wall that can be improved and utilized throughout the school year and in years to come.

Research article – summarize the major findings in 1- 4 sentences:

The article reports: “Posting words gradually and engaging the entire class in activities using Word Wall words will produce success for young readers in the classroom” (65).
