**Briefly stated major purpose(s) of the article:**

This article analyzes the findings of nine research reports about corrective feedback and its impact on oral reading performance.

**Research article – summarize the major findings in 2-4 sentences:**

Corrective feedback is analyzed in light of theoretical reading models, followed by a description of types of corrective feedback. The effect that corrective feedback has on word recognition and comprehension is then examined. A chart is provided detailing the findings of prior corrective feedback research. Implications are then made for teachers wishing to implement corrective feedback into their instruction.
