## Group Talk Schedule, Spring 2012

Date	Speaker	Title/Topic	Remarks
January 26	Mahesha Herath	Ionic liquids-Batteries (1)	
February 2	Mahesha Herath	Ionic liquids-Batteries (2)	
February 9	Guizheng Zou	Research update	
February 16	Brandon Johnson Kathleen Johnson	Reports on CV and ECL studies	
February 23	None		MAS Meeting
March 1	Yiliyasi Wusimanjiang	Research update	
March 8	Mahesha Herath	Research update	
March 15	None		PITTCON' 12 Spring Break
March 22	Brandon Johnson	Research update	
March 29	Kathleen Johnson	Research update	
April 5	Yiliyasi Wusimanjiang	Research update	
April 12	Mahesha Herath	Research update	
April 19	Brandon Johnson	Research update	
April 26	Kathleen Johnson	Research update	

### Note:

- **Group Meetings:** Every Monday Morning at 8:30 am in TEC 425.
- **Group Talks:** Thursday afternoon at 4:30 pm in TEC 417 (ppt presentations). Speakers should set up the projector prior to the start of the meeting.
- **Graduate student seminars:** Thursday afternoon at 2:30 pm in IC 101 or PSRC 101.
- **Departmental seminars:** Friday afternoon at 2:00 pm in TEC 106.
- **Lab safety:** You should always wear your safety glasses, lab coat, and gloves when you conduct wet experiments.
- **Logistics:** As a member of the research group, you should always keep your lab benches, desks, storage room and dark room etc clean and in good order. Reusable glassware should be washed right after your experiments.
