 Email _____

- The Office of the First Year Experience is looking for student leaders who are willing to lead groups of freshmen during Golden Eagle Welcome Week 2009. These student leaders will serve as members of the GEWW CREW from August 15-18, 2008. They will be required to attend training workshops on May 1 and August 14, and will work with a small group of entering freshmen and transfer students throughout the week and into the first semester of Fall 2009.
- The commitment to this program is intense as it is a volunteer experience for all student leaders. They will be required to work long hours for no monetary reward.
- We need the crewmembers to be energetic and motivated students who want to make an impact on the freshman class. They need to be students that can be a role model for new Southern Miss students. Additionally, the directors should be from a variety of backgrounds and have diverse experiences to mirror the new students.

How would you rate the applicant's ability in the following areas? NS = Not Sure, 1=Low, 5=High
 (1 indicates needs improvement, 3 indicates average and 5 indicates exceptional)
