EMPLOYMENT

Associate Professor of International Policy and Development [Early Promotion at Start of 2008-09 Academic Year]

- Responsible for developing and directing courses on range of topics, including comparative international political development, homeland security, international security and nation/state building managing a research team examining political development and security in the international system in the context of a hybrid online/traditional Ph.D. program. Also responsible for teaching undergraduate and M.S. courses in political science on the Gulf Coast campus. Duties include advising students and managing their research projects, including chairing and serving on numerous Ph.D. dissertation and Master’s thesis committees. (August 2008-present)

Director of the International Policy and Development Ph.D. Program—The University of Southern Mississippi, Long Beach, MS

- Responsible for all administrative duties associated with the management, promotion and development of curriculum for hybrid traditional/distance learning format Ph.D. program. Duties include serving as primary point of contact for students in the program, heading marketing and recruitment efforts, managing faculty, arranging logistics for in-person sessions and refining curriculum. (January 2007-May 2009)

Associate Director of the International Policy and Development Ph.D. Program—The University of Southern Mississippi, Long Beach, MS

- Responsible for assisting in administrative management, promotion and development of curriculum for hybrid traditional/distance learning format Ph.D. program. Duties include serving as principal point of contact between the program and applicants for admission, and planning and convening conferences. (October 2005-January 2007)

Assistant Professor of International Policy and Development—The University of Southern Mississippi, Long Beach, MS

- Responsible for developing and directing seminars focused on comparative international political development, comparative international cultural development and academic publishing and for constructing and managing a research team examining state building in the international system in the context of a mixed distance learning/traditional Ph.D. program. Duties

include advising students and managing their research projects, including chairing and serving on Ph.D. dissertation and Master's thesis committees. (August 2005-August 2008)

Senior Instructor of Diplomacy—Norwich University, Northfield, VT

- Responsible for developing and directing seminars on periodic basis in Master of Diplomacy distance learning program, which caters to military officers, government officials and business professionals. Duties include preparation of course syllabi, direction and supervision of online threaded discussions, direction of students' research projects and grading of assignments in contexts of seminars focusing on conflict resolution and post-conflict reconstruction, and terrorism in the international system. (January 2003-present)

Adjunct Professor of History—Midlands Technical College, Columbia, SC

- Responsible for teaching introductory History of Western Civilization, History of East Asian Civilization and American History courses. Duties include development of course syllabi, presentation of lectures, direction of students' research projects and grading of assignments. (August 2002-May 2005)

Research/Administrative Assistant—ODU Center for Regional/Global Study

- Responsible for assistance in conduct of five-year program review, planning and administration of biennial ODU-North Atlantic Treaty Organization Symposium on EU-NATO relations and development of subsequent conference report, and research and administrative duties at CRGS. (August 2000-May 2001)
