

## *Gulf and Caribbean Research*

### COPYRIGHT TRANSFER AGREEMENT

Manuscript Number GCRV20-

The article entitled,

is scheduled to appear in Vol. 20 of *Gulf and Caribbean Research* but will be published only if this signed agreement is returned.

The copyright and any renewals or extensions of copyright and all literary property in Author's manuscript are hereby assigned to and shall be the sole property of the Gulf Coast Research Laboratory (GCRL), with the sole exception that if the terms of any grant or contract from a governmental agency pursuant to which Author created the manuscript require that copyright vest in the United States or any state government or agency thereof, then the foregoing shall not apply to the extent of such requirement.

The Author warrants that the manuscript submitted by Author does not and will not when published infringe any copyright or right of privacy or actionable defamatory matter. Author warrants that any material included in the manuscript to which the copyright of others attaches has been included with the express permission of the copyright holder. Author will indemnify GCRL against any claim, demand, or recovery finally sustained in any proceeding brought against GCRL or for which GCRL is responsible by reason of any violation of a proprietary or personal right or copyright by Author's work, and Author will reimburse GCRL for any defense costs.

However, the authors reserve all proprietary rights other than copyright, such as patent rights.

In addition, the authors affirm that the above article has been neither copyrighted nor published, that it is not being submitted for publication elsewhere, and that, if the work is officially sponsored, it has been released for open publication.

To be signed by at least one of the authors (who agrees to inform the others, if any) or, in the case of a work for hire, by the employer.
