

Membership Application

Mission Statement

The Golden Eagles Intertribal Society (GEIS) seeks to promote awareness and appreciation of First Nations cultures through formal annual events and informal social and educational activities. Students involved will enjoy an increased sense of community while furthering their education. First Nations communities will benefit through the education of their young people. The Hattiesburg community will benefit from a more inclusive and broader awareness of culture.

Goals for GEIS

Create and educate the community about American Indian culture

Renew and maintain traditional ways and tribal languages

Form traditional drumming and singing groups with community and student participation

Promote social dancing, and traditional pow-wow dancing

Prepare dance regalia such as shawls, feather fans, and gourd dance rattles

Host a stick ball tournament on the Southern Miss campus

Develop an organic garden near the Southern Miss campus to grow medicinal and ritual herbs as well as produce
