GULF COAST PUBLIC LECTURE SERIES

THE SUN HERALD

and

THE UNIVERSITY of SOUTHERN MISSISSIPPI GULF COAST

IN CONJUNCTION WITH THE MARY C. O'KEEFE CULTURAL CENTER IN OCEAN SPRINGS

present

ECOSYSTEM AT RISK?

**IMPLICATIONS OF THE DEEPWATER HORIZON INCIDENT
ON THE ECOLOGY OF THE NORTH CENTRAL GULF OF MEXICO.**

A PANEL DISCUSSION featuring experts from the Gulf Coast Research Lab, including Dr. Bill Hawkins, moderator; Harriet Perry on crustacean and shellfish life cycles; Jim Franks on finfish stocks; Dr. Joe Griffitt on aquatic toxicology; and Dr. Jay Grimes on biomediation.

Following this panel discussion a Q+A session will address your questions on how the Deepwater Horizon incident has impacted the biology of the North Central Gulf, how it works and the implications of this incident. This lecture is free and will be held in the auditorium of the **Mary C. O'Keefe Cultural Center in Ocean Springs.**

NOTICE:

This lecture will be held at the **Mary C. O'Keefe Cultural Center** at 1600 Government Street in Ocean Springs. From Hwy 90, take Washington Ave. south to Government, turn left to Mary C. O'Keefe.

From top left:
