and

THE UNIVERSITY of SOUTHERN MISSISSIPPI GULF COAST

IN CONJUNCTION WITH THE MARY C. O'KEEFE CULTURAL CENTER IN OCEAN SPRINGS

present

WHAT IT MEANS TO BELIEVE IN GOD

DAVID M. HOLLEY professor and chair of the Department of Philosophy and Religion at the University of Southern Mississippi has a Ph.D. in philosophy from the University of Texas at Austin. He has been a Visiting Scholar at the University of Delaware and the University of Notre Dame. Before moving to Southern Miss he taught at universities in Kansas, Texas and Arizona.

In his latest book, *Meaning and Mystery: What It Means to Believe in God*, Dr. Holley argues against the view that the best way to reflect about belief in God is to treat God's existence as an explanatory hypothesis, proposing instead that it needs to be considered in the context of deciding about a life-orienting story. His works on religion, ethics and moral psychology

have been published in professional journals. He and his wife are avid backpackers.
