APPENDIX F
PROCEDURES INVOLVING PAIN/DISTRESS WITHOUT PAIN/DISTRESS MEDICATION

If you listed the use of animals in Procedure Category "C" (see the table in Section V), you must complete this section of the application.

1. Provide a **detailed** description of the procedure(s) to be conducted.

2. List the criteria that will be used to determine the time point(s) to be used to terminate experiments that induce chronic disease or tumors.

3. If death will be used as an endpoint in this study, explain why an alternative endpoint is not acceptable.

4. Will animals be fasted or placed on a limited diet? _____ Yes _____ No
   If yes, answer the following questions:
   a. How long will animals be fasted or placed on a limited diet?

   b. What criteria will you use to determine if animals are suffering as a result of the fast or restricted diet?

5. Will water be withheld from the animals? _____ Yes _____ No
   If yes, answer the following questions:
   a. How long will water be withheld?

   b. What criteria will you use to determine if animals are suffering as a result of the water restrictions?
