

We're Growing Up Healthy

Our students and teachers use the **Integrated Suggested Teaching Strategy for the Mississippi Health Curriculum** developed especially for Mississippi's kindergarten through fifth grade elementary classes.

For more information about the Teaching Strategy, visit www.usm.edu/ids/bluecross/index.html or call the Institute for Disability Studies toll-free at 1.866.883.4474.

A Subsidiary of Blue Cross & Blue Shield of Mississippi.
