JACKSON CONVENTION COMPLEX

## DeltaCON 2009 REGISTRATION

### Who We Are

---

DeltaCON 2009 is an innovative collaboration: a regional exposition organized through an organized volunteer alliance between the Delta Regional Chapter of IIDA (International Interior Design Association) and the South Central Chapter of ASID (American Society of Interior Designers). In a concentrated effort to strengthen the design communities, the two organizations have joined forces and pooled resources to offer the best in exhibitors and continuing education.

DeltaCON 2009 will take place **Thursday evening, October 15 and Friday, October 16, 2009**, at the **Jackson Convention Complex** (105 East Pascagoula Street, Jackson, MS 39201). Thursday evening will feature a Cocktail Party at the **Old Capitol Inn** (226 North State Street, Jackson, MS 39201) in downtown Jackson; and Friday will feature our first DeltaCON exhibitor tradeshow as well as ten (10) unique continuing education (CEU) opportunities. Lunch will be available on Friday at the DeltaCON café that will be located within the tradeshow space.

This premiere event focuses on introducing the latest in products and innovative ideas to the Arkansas, Louisiana, and Mississippi community of interior designers, facility managers, architects, design students, and other industry members. Any income from the event goes back to the chapters to fund special educational and recognition programs as well as other efforts within the design industry.

All conference information, including the exhibitor tradeshow, continuing education, and special event registration will be available through DeltaCON's registration forms and other promotional materials including newsletters and emails.

2. Upon your registration check-in at the DeltaCON 2009 Expo on Friday, October 16, you will receive a name tag and a cool tote bag that will include a map of the event, schedule of events for the day and other exciting promotional materials and information for your visit. See below for Schedule of Events.

4. ALL events on Friday, October 16, 2009, will take place at the Jackson Convention Complex in downtown Jackson.

5. During ON-SITE REGISTRATION, acceptable methods of payment are CASH and CHECK. On-site registration and payment for the tradeshow and/or CEUs must be made at the Registration Check-In at the Jackson Convention Complex.
6. Those registering for continuing education classes will not be allowed to sign up for more than one class during any given time slot. DeltaCON's goal is to provide as many attendees with as much continuing education as possible, and signing up for classes that will be impossible for one to attend is discourteous to one's peers and unacceptable to DeltaCON Committee.
7. If classes sell out during pre-registration, stand-by openings may still be available on-site during the event due to a percentage of continuing education registrant no-shows, but they cannot be guaranteed.
8. DeltaCON's registration system does allow for changes or deletions to your registration / class schedule / payment once your registration is completely processed. If you want to ADD one or more classes, then you may do so by completing another form and submitting payment as you did your original registration.
9. Stand-by openings may still be available on-site during the conference due to a percentage of continuing education registrant no-shows, but they cannot be guaranteed. If you are already pre-registered for at least two classes, then you will not be charged on-site for taking additional classes as a stand-by attendee.
10. ALL CONTINUING EDUCATION CLASSES WILL BEGIN PROMPTLY ON TIME. ANYONE ARRIVING LATE WILL FORFEIT HIS/HER SEAT TO STAND-BY ATTENDEES. NO EXCEPTIONS.
11. DeltaCON will issue receipts via email for all registrations immediately upon payment processing.
