Hi BSP students and welcome!

I am Holly Buckner and I look forward to working with all of you on-site in London this summer. I am contacting you today to let you know that the entry letter Dr. Mackaman emailed you about will be mailed out over the next week. **These letters need to be organized by all of you with your passports and kept handy for your passage through passport control.**

We will send the entry letter to the address you marked as current on your application unless you have notified us otherwise. We would like confirmation that you have received your entry letter. **Please contact the British Studies office at Southern Miss via phone or email as soon as your letter arrives.** If we have not heard from you by June 16, we will make contact with you for an alternative mailing address.

If you are flying out of New Orleans with the group, you will receive your updated itinerary with the entry letter. If you are flying with the group out of another departure city, you should refer to your acceptance packet for flight information. We will notify you of any changes to this information prior to your departure.

Remember, you will need to check your email frequently between now and your departure and be sure you respond to requests for information or instructions by the dates provided.

Please do not hesitate to contact us should you have any questions.

See you in about a month!

Cheers!

Holly
