Hello all –

This is just a reminder for BSP participants in the Hattiesburg area: Holly Buckner and I will be hosting an orientation this Friday, June 19 from 3-5 pm in the International Building Room 101.

Come with questions for our Q&A session at the end!

In case you miss the orientation, an outline of the session as well as the questions asked will be emailed out to the list serve early next week!

All the best,

Jess
