All:

Our office will soon be sending out a letter of entry to the UK to every program participant, student and professor alike. These letters need to be organized by all of you with your passports and kept handy for your passage through passport control. A measure of security related to short-term stays for educational reasons in the UK begun last year, the letters will be sent out by us in a hard-copy format to all participants well before our fly-out date. Please contact us at 601-266-4344 with any questions you have on this matter.

Many thanks,  
Dr. Mackaman
