

Blackboard Student Tutorial Using the Assessments Tool

Under the Course Tools, click **ASSESSMENTS**.

Assessments are a component in which you take quizzes and tests posted online by your instructor.

Step 1: Accessing the Assessment

Click on the assessment. In this case, there is only one and it is **Intro to WebCT CE6**.

Step 2: Beginning the Assessment

Click **begin assessment**. If you need help, click **instructions and troubleshooting**.

 **Intro to WebCT CE6** 

Start: November 20, 2006 12:03 AM
End: Unlimited
This is a SELF TEST for Introduction and Communication Tools

- Self Tests are NOT GRADED or submitted
- Intended to be used as a learning tool to review and reinforce concepts covered in WebCT CE6 Introduction training
- Questions are NOT RANDOMIZED; all are delivered in same order so we can review together if we choose
- Questions are set to deliver all at once
- Assessment will open in new browser window to allow student to go back into course and find answer (open book)
- No time limit; however, it is still a good practice for students to SAVE as they go, especially on a timed test

Step 3: Taking the Assessment

Answer each question, and click **SAVE ANSWER** after answering each. Depending on the instructor, the test may be timed, so it is best to save after every question.

After all questions are answered, click **FINISH**.

Step 4:

This screen will show you **your answer** and the **correct answer**, as well as your **total score**.

After viewing your results, click **DONE**.
