

Choose the perfect printer with your new Mac.

And get up to \$100 back via rebate when
you buy a Mac and a qualifying printer.

Choose among more than a dozen models, including photo, all-in-one, and multifunction printers.

Offer good between April 22, 2008, and July 21, 2008.

How to get this special offer

After you've selected and configured your new Mac, you'll see a list of qualifying printers and a link to [visit the online rebate form](#) which contains redemption instructions. You must purchase the printer you want at the same time as your new Mac.
