

Completing the Registry Application for the Mississippi Deaf-Blind Project

Is this individual eligible for the Mississippi Deaf-Blind Registry?

YES NO Does the individual have a documented vision loss?

YES NO Does the individual have a documented hearing loss?
(IF NO, hearing ability can sometimes be non-beneficial for learning, therefore considered a functional hearing loss and the individual may qualify)

YES NO Does the student have other disabilities also (physical, cognitive)?

IF YES is the response to these questions, most likely the individual will qualify. The decision will be made by project staff upon receiving releases and documentation of vision and hearing loss, and assessment team reports. Please complete as much of the form as possible.

Please return each of the following forms:
