Graduate Degree Programs

The following graduate degree programs are available on the Hattiesburg campus: a Master of Business Administration (M.B.A.) and a Master of Professional Accountancy (M.P.A.). These and other business programs offered on the Hattiesburg and Gulf Coast campuses are accredited by the American Assembly of Collegiate Schools of Business.

Requests for application forms and other information may be addressed to the Director of Graduate Business Programs, College of Business Administration, The University of Southern Mississippi, Box 5096, Hattiesburg, MS 39406-5096. Telephone inquiries may be made by calling (601) 266-4653.

A Master of Business Administration (M.B.A.) and a Master of Professional Accountancy (M.P.A.) are also offered on the Gulf Coast. Requests for application forms and other information may be addressed as indicated above. Telephone inquiries can also be made by calling (601) 865-4505 at Gulf Park.

Graduate assistantships are available for the M.B.A. and M.P.A. degrees. Students with good undergraduate records are encouraged to apply at the time they request admission.

Admission Standards

Admission to the University of Southern Mississippi's M.B.A. and M.P.A. programs is selective. Regular admission is contingent on having graduated from a college or university accredited by a recognized regional accrediting agency. In addition, the graduate admission committee of the College of Business Administration recommends admittance only for those applicants whose academic background, work experience, demonstrated leadership, and communication skills meet the challenging demands of graduate programs in management and accounting.

In evaluating applications, the admission committee utilizes the following criteria:

Undergraduate record—The cumulative grade point average (GPA) from all institutions, the area(s) of concentration, the balance of verbal/communication and quantitative/analytical courses, and the trend of grades are considered.

Graduate Management Admission Test (GMAT)—The GMAT is sponsored and directed by the Graduate Management Admission Council, consisting of representatives from graduate schools of management. A candidate should strive to achieve a good balance of verbal- and quantitative-area scores.

Test of English as a Foreign Language (TOEFL)—Students whose native language is not English must achieve a TOEFL score of 550 or more.

Work Experience—While work experience is not required for admission, two or more years of relevant managerial responsibility strengthen the likelihood of admission to the program. Applicants are encouraged to submit resumes showing job responsibilities and accomplishments. Letters of recommendation should be from persons qualified to assess the applicant's readiness for graduate study and should be sent to the department or school.

Letters of Recommendation—The admission committee reviews letters of recommendation to gain a more personal understanding of the applicant's leadership ability in terms of communication and interpersonal skills. Each applicant should request three recommendation letters, at least one of which addresses the applicant's academic preparation. Letters of recommendation should be from persons qualified to assess the applicant's readiness for graduate study and should be sent to the College.

Essay—The essay requirement provides the applicant an opportunity to demonstrate writing competency and communication skills. It also enables the applicant to provide specific examples of demonstrated leadership, to discuss career plans, and to supply additional information that will assist in selecting those individuals who can most benefit from and contribute to the graduate management or accounting programs.

Students may enroll in College of Business Administration courses reserved exclusively for graduate students if they have regular admission to specific USM graduate programs and have taken the necessary prerequisites. In rare cases, students may be admitted conditionally. To remove Conditional Admission status, masters students must earn a 3.0 on the first nine (9) semester hours of course work numbered 500 or above or on all courses taken while completing this nine (9) hour requirement.

Students transferring from other graduate schools must meet the admission requirements stated above. At the time of admission, transfer students may request that up to six (6) semester hours of approved credit be applied toward degree requirements. Once enrolled, transfer of credit between the Hattiesburg and the Gulf Coast campuses, as well as courses taken at other institutions, must be approved in advance.

Academic Policies

Application of credits and dismissal—Students may not apply hours toward a degree for courses in which there is a grade of "D"; students who receive grades of "D" in more than six hours of course work will be dismissed from the program. Students who receive grades of "F" in more than three hours of course work will be dismissed from the program. Upon approval by the Director, students may repeat one and only one course to improve a cumulative grade point average. Students whose cumulative grade point average (GPA) or whose program GPA falls below 3.0 will be placed on probation. Students must attain a cumulative 3.0 GPA by the end of the following (probationary) semester or they may be dismissed from the program subject to review by a faculty committee and the program director.

Graduation requirements—Students must complete course requirements with a 3.0 GPA for all graduate courses taken. In addition, all general requirements of the Graduate School must be met; this includes a comprehensive examination.
