Graduate Degree Programs

USM Gulf Coast provides a flexible delivery system designed to meet the educational needs of Mississippi Gulf Coast citizens. Consequently, new courses and programs are added as student demand warrants and resources permit. A sufficient number of courses is available so that USM Gulf Coast students may earn the graduate degrees that follow. Because certain courses are not offered every semester, students are encouraged to be in regular contact with the appropriate graduate program adviser.

Admission

USM Gulf Coast graduate admission requirements and procedures are identical to those outlined elsewhere in this Bulletin. Applicants to the Master of Business Administration or Master of Professional Accountancy program should contact the Division of Business Administration at the Gulf Park campus for information and application forms. In order to facilitate proper advisement and predetermination of admission status, students must furnish transcripts and complete applications for admission prior to registration. Transcripts and completed applications should be sent to the Office of Student Services, USM Gulf Coast, 730 East Beach Blvd., Long Beach, MS 39560-2699.

Graduate Residency Requirements

Specialist level students are reminded that graduate residency requires intensive full-time study of an individualized nature. In addition, some departments have options to meet specialized needs. These students must have their degree plans approved in writing in advance by their department chair prior to course enrollment.

Course Load

USM Gulf Coast course load requirements are identical to those for the Hattiesburg campus described elsewhere in this **Bulletin**.
