SUMMER POLICIES FOR STUDENT WORKERS

These policies are for the summer semester only.

These policies do not pertain to student workers who have been awarded work-study.

- ❖ All student worker files will remain in Student Employment.
- ❖ All **International** students may work **only** 20 hours or less. Some exceptions may be made. Please contact International Studies and Scholar Services for exceptions.
- ❖ Student workers enrolled less than half time will lose their FICA exemption status.
- ❖ Student workers enrolled 3 hours or less for the summer may work up to 40 hours per week provided they were enrolled full-time during the spring semester and will be enrolled full-time during the fall semester.
- ❖ Student workers enrolled up to 8 hours may work more than 20 but less than 30 hours per week.
- ❖ Student workers enrolled full-time (9 hours or more) will adhere to the regular current policy.
- ❖ If graduating student workers continue working after final exams, they must be hired through Human Resources.
