

HAWAIIAN BUSINESS + CULTURE

January 2 - 15, 2024

SOUTHERN MISS BUSINESS

The adventure of a lifetime, *right in your backyard*

Would you like to have the educational and cultural experience of a lifetime in a tropical paradise? Trade the classroom for a hands-on exploration one of the most unique cultures in the US. Steeped in the spirit of aloha, Hawaiian culture is strongly rooted in caring for the environment and people. Oahu is a thriving metropolis comprised of large international corporations and small, family-owned businesses with strategies built around these beliefs. Join us as we learn about Hawaii's vibrant culture and how it impacts business. We'll visit corporate headquarters, manufacturers, and retailers who are eager to share their business practices. Your adventure continues with opportunities to experience Hawaii's natural wonders including snorkeling in a volcanic cone, surfing in Waikiki, hiking in a rainforest, or relaxing on one of the many beaches.
