COMPUTER ENGINEERING

2020-2021

FLOWCHART LEGEND

- > Pre-requisite requirement
- - - - -> Co- or Pre-requisite requirement

This flow chart shows a semester breakdown starting from the left and flowing to the right. Courses connected by flow arrows demonstrate logical progressions of course material and as such the progression constitutes pre-requisite requirements for proceeding courses. For complete course description and co-/pre-requisite requirements see the official USM 2019-2020 Undergraduate Bulletin.
