Students were asked to rate the 20 ACCE SLOs statements using the following ratings: 1=Not True; 2= Somewhat True; 3= True; 4= Very True

- ACCE SLO 1: Construction graduates are able to create written communications appropriate to the construction discipline.
- ACCE SLO 2: Construction graduates are able to create oral presentations appropriate to the construction discipline.
- ACCE SLO 3: Construction graduates are able to create a construction project safety plan.
- ACCE SLO 4: Construction graduates are able to create construction project cost estimates.
- ACCE SLO 5: Construction graduates are able to create construction project schedules.
- ACCE SLO 6: Construction graduates are able to analyze professional decisions based on ethical principles.
- ACCE SLO 7: Construction graduates are able to analyze construction documents for planning and management of construction processes.
- ACCE SLO 8: Construction graduates are able to analyze methods, materials, and equipment used to construct projects.
- ACCE SLO 9: Construction graduates are able to apply construction management skills as a member of a multi-disciplinary team.
- ACCE SLO 10: Construction graduates are able to apply electronic-based technology to manage the construction process.
- ACCE SLO 11: Construction graduates are able to apply basic surveying techniques for construction.
- ACCE SLO 12: Construction graduates understand different methods of project delivery and the roles and responsibilities of all consistencies involved in the design and construction process.
- ACCE SLO 13: Construction graduates understand construction risk management.
- ACCE SLO 14: Construction graduates understand construction accounting and cost control.
- ACCE SLO 15: Construction graduates understand construction quality assurance and control.
- ACCE SLO 16: Construction graduates understand construction project control processes.
- ACCE SLO 17: Construction graduates understand the legal implications of contract, common, and regulatory law to manage a construction project.
- ACCE SLO 18: Construction graduates understand the basic principles of sustainable construction.
- ACCE SLO 19: Construction graduates understand the basic principles of structural behavior.
- ACCE SLO 20: Construction graduates understand the basic principles of mechanical, electrical and piping systems.
