Adding extra time to a test per student

There are times when you are required to add extra time to an online test for a specific student. Canvas allows you to do this using the Moderate This Quiz button.

Note: Your test must be Published to see the Moderate This Quiz button.

After you have created and published the quiz, you will see

➢ Click Moderate This Quiz

In the Moderate Quiz window, you will see a list of your students. You can choose to use the search tool or scroll through the list. Once you have found the student,

➢ Click the box to the left of the student’s name.

➢ Enter only the extra required minutes in the box. ex: the test time is 30 minutes; the student is allowed time and a half. Enter 15 minutes in the box.

➢ Click Save
