By signing below, I acknowledge that I understand the following statements:

- (1) Completion of a graduate course during undergraduate status does not guarantee a student's acceptance into a graduate degree program.
- (2) If accepted into a graduate degree program, graduate coursework taken as an undergraduate student will only be included in the program of study if approved by the student's graduate committee and the course was not used to satisfy undergraduate degree requirements.
- (3) Courses taken Out-of-career are not covered by financial aid.
- (4) *If you have been admitted into an **Accelerated Master's Program**, out of career coursework may satisfy both undergraduate and graduate degree requirements and you may be eligible for Financial Aid. Please check with your program for more information regarding your accelerated master's program.
