INTERNAL
• Events that are classified as “internal” are events hosted by a department, division, college, school, office or student organization within The University of Southern Mississippi. Events classified as “internal” will not incur facility fees; however, all applicable service fees will be charged as needed. Events charging registration are subject to additional fees. *

EXTERNAL
• Events that are classified as “external” are events that are hosted by an organization that is not affiliated with The University of Southern Mississippi. Events classified as “external” will incur all facility fees that are associated with their event and any applicable services fees. *

NON-PROFIT / GOVERNMENT
• Events that are classified as “non-profit or government” are events that are hosted by an organization that is directly affiliated with a non-profit (501(c) 3) or a federal, state, or local form of government. Events classified as “non-profit or government” will be quoted a rate of 50% less that an external event; however, all applicable service fees will be charged as needed. Agencies that received a minimum of 50% of their funding from Harrison County do not incur facility fees in the Fleming Education Center. *

GRANT FUNDED
• Events that are classified as “grant funded” are events that are hosted by an organization that is housed within The University of Southern Mississippi and receives 50% or more of the funding from the grant source. Organizations that meet this criterion will not incur facility fees; however, all applicable service fees will be charged as needed. Events charging registration are subject to additional fees. *

SPONSORED
• Events that are classified as “sponsored” are events that are hosted by an external, off-campus, organization in conjunction with a department, division, college, school, office or student organization within The University of Southern Mississippi. Sponsoring employee or department/college must have physical presence during entire event. The event must be hosted by the off-campus group with input on programming from the USM entity. Events classified as “sponsored” will be quoted a rate of 50% less that an external event; however, all applicable service fees will be charged as needed. *

* All events charging registration fees for participants will be assessed a minimum of 50% regular facility rental fees.
