We want to wish your family a happy holiday season from The USM Center for Child Development.
It is always a pleasure to serve your family and our hope is that this season will bring all your family holds dear.

Holiday closing
December 22 – January 1

Each classroom will host classroom holiday parties

December 19
Please make plans to send a treat that can be shared with the class. This will also be a time for the children to exchange a small gift, please see your child’s classroom teacher for the details.

In an effort to spread the holiday cheer The USM Center for Child Development is participating in Batson Children’s Hospital’s Adopt-A-Floor Program.
Batson Children’s Hospital serves thousands of patients annually with many of them receiving treatment requiring countless hours, days or even months of hospitalization.
These families face tremendous strain emotionally, physically, and financially. The program invites the community to assist in providing the snacks that are served on each floor each day.

We will be collecting the following items at the Center through December 19:

- Soup (pop-up lids only)
- Fruit Bowls
- Crackers
- Granola Bars
- Breakfast Bars

Thank you in advance for helping!
