Editors’ Acknowledgements

Coastlines is published annually through a grant to the Center for Policy and Resilience at the University of Southern Mississippi Gulf Coast. Submissions were ranked and reviewed by the USM GC Chapter of the International English Honor Society, Sigma Tau Delta, whose faculty sponsor is Damon Franke. The editors also acknowledge the support and encouragement of the College of Arts and Letters, its Associate Dean, Dr. Robert Pauly, and of USM GC Vice President Dr. Frances Lucas. Many of the literary pieces included here came to Coastlines through the Mississippi Gulf Coast Writer's Association and its members, especially Dr. Phillip Levin and Judi Davies, to whom thanks are due. Finally, we also wish to thank Lenny Emmanuel, of Pass Christian for his organization and conduct of the monthly Eagles Nest poetry readings at Gulf Park, which liaison between the University and its wider community.
