About the Class:

This course will prepare the student with the skill set to document a crime scene through forensic photography, crime scene diagramming and how to identify, collect and preserve physical evidence. The students will then work a mock crime scene and present the result of their investigation.

Prerequisite: Basic Crime Scene Investigation – attach verification of training to registration

Instructor for this course is retired criminal investigator, George Chaix. Chaix retired from a 27-year career in policing. Serving as a criminal investigator since 1996 and later in a command position serving both the Gulfport and Biloxi Police Departments. He also served in the Navy Reserve in the law enforcement career field serving as an instructor at the Military Police School and as an investigator serving as the Chief of Military Police Investigations for the Country of

Kuwait. He holds a Bachelor of Science in Criminal Justice with a Minor in Forensic Science along with a Masters of Criminal Justice Administration.

Mr. Chaix currently serves as an Instructor of Criminal Justice for William Carey University and is a past president of the Mississippi Division of the International Association of Identification. He also serves on the Board of the Mississippi Gulf Coast Veterans Day Parade and an adjunct Instructor for the Southern Regional Public Safety Institute.
