**Fall 2021**

# Covid-19

- As of today, the university has not introduced any regulations on student organization events for the fall semester.
- We would advise masks in small, indoor settings and that you encourage your organizations to have hybrid and virtual options in case we need to switch at some point in the semester.
- Our office is happy to supply masks and/or hand sanitizer for your organizations, if needed.

# Steps All Groups Must Take Each Fall

- Complete the Organization Information Form (OIF) on our website
- Register and attend a Student Organization Orientation (SOO)
  - At least the president and one other officer/member of group must attend.
  - These dates have been emailed to all presidents and begin next week, August 4<sup>th</sup>
- Register by September 3<sup>rd</sup> this fall in order host events on campus this semester.

# Important Content Covered at SOO's

- Registering an event on campus
