- Workplace Strategies
- Training and Mentoring
- Workforce Production and Efficiency
- Operations and Efficiency

Michelle is a Kansas native who moved to the Gulf Coast in 2010. She currently works at the DuBard School for Language Orders at The University of Southern Mississippi. Michelle is excited about the ability to further her education in something she loves to do - develop effective workplace strategies to enhance people within the organization. Michelle states, "I look forward to sharing my USM experience with my musically talented husband and our precocious 5-year old." She is a current HCD M.S. student and plans to graduate in 2022.
