2020

COASTAL EXPLORER

For just \$10 per student, teachers can customize a three-hour Coastal Explorer field trip at The University of Southern Mississippi's new Marine Education Center (MEC). Teachers are able to choose three modules from eight engaging topics. The newly constructed MEC sits on 100 acres in Davis Bayou in Ocean Springs, Miss., and features indoor/outdoor classrooms, laboratories, habitat trails, pedestrian bridge and floating classrooms in a coastal setting.

Coastal Reptiles

Coastal Habitats

Water Quality

Plankton & Copepods

Dichotomous Key

Predatory Birds With
Owl Pellet Dissection

Shark Biology with
Shark Dissection

Fish Biology with
Fish Dissection

Minimum group size - 25
