MARINE BIOLOGIST IN MY CLASSROOM

Let us bring the world of marine science to your classroom. Our marine educators pack up artifacts, equipment and specimens, and deliver a hands-on learning experience, where every student feels like a marine biologist! Select one or all of each topic's 45-minute lessons.

Changing Oceans - NEW!

- Climate in the Classroom
- The Greenhouse Effect
- Accelerators of Change
- Paleoclimatology

Sharks

- Shark Dissection
- Apex Predators
- Save Our Sharks
- Shark Studies

Sturgeon

- Sturgeon in the Watershed
- Surging Sturgeon Migration
- Sturgeon Habitat Survey
- Sturgeon and Stewardship

Dolphins

- World of Dolphins
- Dolphin Biology
- Echolocation
- Dolphin Behavior

Price starts at \$12 per person.
