

THE UNIVERSITY OF SOUTHERN MISSISSIPPI
Department of Parking and Transit Services

Parking and Traffic Regulations
Effective August 1, 2026

Pursuant to the provisions of Chapter 105, Section 37-105-1 and Section 37-105-3, *Mississippi Code of 1972*, the Board of Trustees of State Institutions of Higher Learning hereby enacts the rules and regulations for vehicles, motorcycles and bicycles on the grounds of The University of Southern Mississippi campuses.

A. GENERAL INFORMATION AND DEFINITIONS

- A.1. The University of Southern Mississippi reserves the right to regulate the use of all vehicles on the Hattiesburg and Gulf Park campuses and at the Gulf Coast Research Laboratory (GCRL), including the Halstead Road and Cedar Point locations, and to forbid the use of a vehicle by any person not complying with the regulations on its campuses or teaching/research sites under applicable Mississippi law and policies of the Mississippi State Institutions of Higher Learning. The University of Southern Mississippi, Department of Parking and Transit Services (PTS) is responsible for implementing and enforcing the parking regulations. Except where indicated, all regulations contained herein are enforced 24 hours a day, seven days a week. (Miss. Code Ann. § 37-105-3).
- A.2. The University utilizes a license plate recognition (LPR) system on all University-owned and controlled properties. License plates are used to verify that a vehicle can park at a particular location on university property. Faculty, staff and students are allowed up to four vehicles registered to a virtual parking permit. However, only one vehicle is allowed to park on a University property at any given time. If a permit holder uses a substitute vehicle not registered on the permit, one of the vehicles on the permit must be removed to allow the substitution of the additional vehicle on the parking permit.
- A.3. Parking registration and the purchase of a virtual parking permit is an individual responsibility. A virtual parking permit is issued to individuals and ownership is nontransferable. By purchasing a permit, the permit holder agrees to abide by these rules and regulations.
- A.4. The University assumes no liability for damages, including flood damage or loss to any vehicle or vehicle contents while parked or in operation on any University property. The University does not guarantee a parking space, nor does registering for a permit guarantee a parking space. Campus parking spaces are zoned, and the permit type determines eligibility to park in a particular parking zone and/or lot.
- A.5. Vehicles parked on University property with intent to utilize the public transit system (Hub City Transit) are subject to the rules and regulations herein.
- A.6. License plates must be properly attached and visible from the drive lane. No plate cover should obscure a vehicle license plate. If you are from a state that does not require a front license plate, vehicles must be pulled into a space nose first.

For purposes of these regulations, the following definitions apply:

- A.7. **Virtual Parking Permit** is an electronic authorization for an individual to park a vehicle or motorcycle on a University campus or teaching/research site in a specified parking zone. Registrants will be issued only one virtual parking permit. Unless otherwise indicated, virtual parking permits will be valid for each semester (Fall, Spring, Summer) or academic year, which will expire July 31.
- A.8. **License Plate Recognition (LPR) System** utilizes license plate recognition hardware/software to assist with Parking and Transit Services' enforcement and access control. Data collected is based on day/time/location.

The use of data, data retention, and access to records are detailed in the privacy policy, found at the Department of Parking and Transit Services' website.

- A.9. **E-Citation (Citation)** is an electronic citation via email (with the exception of non-registered license plate vehicle). Non-registered license plate vehicle will receive a citation on the windshield indicating a violation has been issued.
- A.10. **Non-Registered License Plate Vehicle(s)** is a vehicle for which a valid virtual parking permit has not been purchased and/or the license plate has not been registered through the registration process.
- A.11. **Simultaneously** means two vehicles registered to one account parked on campus at the same time.
- A.12. **Visitor Parking Pass** is a written authorization for an individual to park a vehicle on a University campus or teaching/research site in a specific parking zone. Parking passes include visitor passes and special event parking passes.
- A.13. **Affiliate/Contractor/Vendor** is anyone employed full-time or part-time by an organization other than the University of Southern Mississippi, who parks a vehicle on campus or teaching/research site frequently in conjunction with work performed at the university.
- A.14. **Faculty Member** is anyone who is employed full-time or part-time by the University of Southern Mississippi, whether under contract or not, for the purpose of teaching or instructing students or anyone working on our campuses or teaching/research sites in a faculty capacity. This does not include graduate teaching assistants, graduate research assistants or graduate fellowship students.
- A.15. **Staff Member** is anyone who is employed full-time, part-time or temporarily by the University to perform services other than instructing students. This does not include graduate assistants or student workers.
- A.16. **Student** is anyone, other than a faculty or staff member, who is enrolled at the University for the purpose of receiving instruction.
 - A.16.1. **Commuter** is anyone living off campus
 - A.16.2. **Resident** is anyone living in on-campus residence halls
 - A.16.3. **Village** is anyone living in sorority housing
 - A.16.4. **Fraternity** is anyone living in fraternity housing
- A.17. **Retired Faculty/Staff** is anyone who retires from the University.
- A.18. **Visitor** is any person, other than a faculty, staff, student, contract employee or not otherwise affiliated with the University in the capacity of an external employee, vendor or construction worker who parks a vehicle on a campus or teaching/research site on infrequent occasions. Visitors must obtain a visitor pass and park in an authorized parking space. Visitors who park frequently on a campus or teaching/research site must register for a virtual parking permit and are subject to all regulations herein. Violators who order, purchase or display a visitor parking pass and park in visitor lots and spaces are subject to citation and immobilization.
- A.19. **Motor Vehicles** are all motorized devices used for transporting people and materials, including, but not limited to, cars, trucks, motorcycles, etc.
- A.20. **Proper Display** of a parking pass (visitor and special event) is the driver's responsibility. Once a parking pass is issued, it shall be displayed in accordance with the instructions printed on the pass. (See vehicle registration Section B.)
- A.21. **Boot**, also referred to as an "automobile immobilizer," is a mechanical device that can be affixed to any wheel on a motor vehicle for the purpose of temporarily immobilizing the vehicle.
- A.22. **Tow** is to pull or haul a motor vehicle.
- A.23. **Metered Parking** is limited-time parking that is regulated by a parking meter or tracked through mobile payments in areas with pay-to-park signage. A valid virtual parking permit/pass is required when metered parking is covered.
- A.24. **Electric Scooter** is a device with two or three wheels, handlebars, and footboard that can be stood upon when riding, which is powered by an electric motor or a combination of electric motor and human power.
- A.25. **Bicycle** is a light, two-wheeled/three-wheeled vehicle with a steering handle, saddle and pedals.
- A.26. **Motorcycle** is a two-wheeled/three-wheeled motorized vehicle.

- A.27. **Facing Flow of Traffic** is a vehicle with the driver's side door parallel to the curb-causing vehicle to pull out into oncoming traffic.
- A.28. **Mandatory Tow Area** is an area that includes service areas, fire lanes, fire hydrants, handicapped parking, handicapped curb cuts, reserved parking, which includes spaces, lots and visitor parking, sidewalks/grounds, no parking tow-away areas and obstructing traffic, which are enforced 24 hours a day, seven days a week.
- A.29. **Reserved Parking** is parking by special permit, permission, or placard only.
- A.30. **Handicap Accessible Parking** is reserved for vehicles displaying a federal or state sanctioned handicapped placard or license plate (See Section B, subsection B.4).
- A.31. For further information regarding services for individuals with disabilities on all campuses or teaching/research sites, call the Student Accessibility Services at 601.266.5024 or 228-214-3302, or visit usm.edu/student-accessibility-services. Individuals with hearing impairments can use Mississippi Relay Service at 1.800.582.2233 (TTY) to contact campus offices.

B. REGISTRATION AND PERMITS

- B.1. Faculty, staff and students are required to register a vehicle online at usm.edu/parking-transit-services and purchase a virtual parking permit.
- B.2. Faculty, staff, students, contract employees and affiliates/contractors/vendors who operate a motor vehicle on University-owned or controlled property, regularly or occasionally, will be required to register a vehicle and purchase a virtual parking permit.
- B.3. Faculty, staff and students are allowed to have up to four vehicles registered to a virtual permit. However, only one vehicle is allowed to park on University property at any given time. If a permit holder uses a substitute vehicle not registered on the permit, one of the vehicles on the permit must be removed to allow the substitution of the additional vehicle on the parking permit.
- B.4. Faculty, staff and students who operate motor vehicles on University-owned and controlled property with permanent or temporary disabilities are required to properly display a federal or state-sanctioned handicapped placard or license plate, register the vehicle, and purchase a Southern Miss handicapped virtual parking permit. Southern Miss handicapped accessible parking permits may be obtained by registering online at usm.edu/parking-transit-services and scanning/uploading a copy of the registrant's federal or state-issued handicapped placard (scan of both sides REQUIRED) or license plate registration. In addition, a copy of the registrant's Southern Miss ID must be provided. Registration and submission of this documentation may also be completed in person at the following location:
 - B.4.1. **Hattiesburg Campus:** Parking and Transit Services Bond Hall, First Floor.
 - B.4.2. A visitor to USM's campuses who has a valid handicapped placard or license plate must receive a handicapped visitor parking pass at the location listed above or the information booth at the front of the Hattiesburg campus.
- B.5. All visitors must show a valid driver's license to obtain and display a visitor pass.
- B.6. Only virtual parking permits and/or passes issued by The University of Southern Mississippi Department of Parking and Transit Services will be honored.
- B.7. Regular or temporary, full-time or part-time faculty and staff, will be eligible for faculty/staff parking permits and will be issued only one virtual parking permit. Faculty and staff may pay through payroll deduction.
- B.8. Dependents, such as students, spouses and student office staff employees are not authorized to use faculty/staff virtual parking permits.
- B.9. Students who are full-time or part-time will be issued one virtual parking permit.
- B.10. Faculty, staff and students who have been terminated/withdrawn from the University will be reimbursed the full cost of the parking registration fee only if requested within 30 days of the issue date.
- B.11. The University will reimburse faculty, staff and students for up to 30 days for any billing errors that may have occurred.
- B.12. Those in violation of parking regulations will be issued an electronic citation via email (with the exception of non-registered license plate vehicles). Non-registered license plate vehicles will receive a citation on the

windshield to indicate a violation has been issued and given further instructions on how to make payment. Citation payments can be processed online at usm.edu/parking-transit-services.

- B.13.** Citations issued with a permit number will be charged to the person to whom the original permit number was issued. Citations issued to a vehicle will be charged to the driver/owner.
- B.14.** Any person falsifying a federal or state-issued handicapped placard or a visitor or special event parking pass will be subject to towing and parking privileges will be revoked.
- B.15.** All contractors and vendors are required to register and purchase a virtual parking permit for their employees' privately owned vehicles if an employee is parking on a campus or teaching/research site. This requirement does not apply to company-owned vehicles (vehicle must display company logo). Companies shall submit a letter requesting the number of virtual parking permits needed via email to parking@usm.edu or by uploading the letter to the registration form at usm.edu/parking-transit-services. Virtual parking permits will be issued to the individual. Contractor/vendor employees who bring privately owned vehicles to a campus or teaching/research site are expected to abide by and follow the University parking regulations.
- B.16.** Contract employees (i.e., Aramark, Barnes and Noble) will be issued one virtual parking permit, which must be paid for at the time of registration. These employees will be responsible for their fines. Failure to pay fines could result in vehicle immobilization or towing.
- B.17.** The cost of the virtual parking permit is listed below. Student costs are fixed while employee virtual parking permit fees are based on an employee's salary at the time of purchase.
- B.18.** Registration fees for virtual parking permits are as follows:

<u>Regular Parking Permits</u>	<u>Hattiesburg</u>	<u>Gulf Park/GCRL</u>

*Employees who begin employment on or after January 1 will pay a reduced annual rate.
 ** Students who begin on or after January 1 will pay a reduced annual rate.

- B.19.** For employees, one regular parking registration fee can be treated as a pre-tax payroll deduction, lowering taxable income. Additional permits will be after-tax deductions. For regular permits purchased during the open registration period (month of August), the annual parking fee can be payroll-deducted over a nine-month period. For any purchases after the open registration period, the payroll deduction period will be based on purchase date.
- B.20.** Upon termination of employment, faculty/staff must pay all outstanding fines before out-processing from the University.
- B.21.** Any faculty, staff or student who changes zone designation or employment status must obtain the appropriate virtual parking permit within two working days by contacting the Department of Parking and Transit Services for exchange.

- B.22.** Any faculty, staff or student who sells or gives a vehicle to another faculty, staff or student must remove that vehicle from their Parking and Transit Services account.
- B.23.** Any retired faculty/staff who desire regular access to a campus or teaching/research site must register and purchase a retiree virtual parking permit.

C. PARKING

- C.1. Hattiesburg** - Parking zone restrictions will be enforced from 7:00 a.m. to 5:00 p.m., Monday through Friday and on Saturdays, when Saturday is a designated class day.  - D.5.2.7. Failure to register a vehicle and purchase a virtual parking permit
 - D.5.2.8. Someone else parked the vehicle
- D.5.3. Requests for an appeal must be made within five calendar days of issuance of the citation. The appeal clerk with the Department of Parking and Transit Services will provide the time and place of the hearing via university email. The board(s) may make a decision based upon the written request with or without the presence of the alleged violator.
- D.5.4. All students shall have an option of a hearing before a student judicial board. Student hearings will be held weekly during fall and spring semesters. During the summer semester, student hearings will be held once a month. Students may appeal the decision of the student judicial board to the Parking and Transit Services Committee via university email within five calendar days from the decision of the board. Faculty and staff members may appeal to the Parking and Transit Services Committee via university email within five calendar days from the decision of the board. The decision from the Parking and Transit Services Committee is final.
- D.5.5. The appeals procedure applies to all campuses but each campus may be addressed separately based on volume and timing.
- D.5.6. A student requesting a hearing may be present at the student judicial board at his or her parking violation hearing and may present information as permitted by the board regarding the citation. Parking violations "Request for Hearing" cases where the alleged violator wishes to be present are decided by the board(s) at the hearing.
 - D.5.6.1. A diagram or other pertinent information describing details concerning the citation may be submitted to the Department of Parking and Transit Services office.
 - D.5.6.2. Citations are considered pending during the parking violation hearing process, however, that does not stop one from receiving a citation, if found in violation.
 - D.5.6.3. The student judicial board and/or Parking and Transit Committee will hear the matter and render a decision. The board/committee (1) may find that a parking violation occurred and impose the appropriate penalty; (2) find that no parking violation occurred and dismiss the citation; or (3) suspend half or the entire fine imposed as a result of a finding of fact in the hearing.
 - D.5.6.4. The decision of the board/committee is transmitted to the alleged violator at the address supplied online.
 - D.5.6.5. The Parking and Transit Committee reviews appeals on all University Police Department traffic citations. The decision of the Committee is final.
 - D.5.6.6. The Parking and Transit Services' Committee reviews appeals on boot, tows and resubmissions. The decision of the Committee is final.

E. TRAFFIC

E.1. Bicycle, and Electric Scooter Policy

- E.1.1. Regulations have been established to provide for the orderly movement and parking of bicycles, and electric scooters on campuses and teaching/research sites. In using bicycles, or electric scooters on campus, the rights and safety of others should be considered at all times.
- E.1.2. Bicycles, and electric scooters shall follow state and local regulations governing movement and operation.
- E.1.3. Bicycle, and electric scooter riders are subject to the same rules and regulations as motor vehicle operators and should ride on the right-hand side of the street, obey all traffic signals and signs, and give proper hand or mechanical turn or stop signals.
- E.1.4. All bicycle and electric scooter operators must dismount and walk or carry their vehicle when crossing a street using a pedestrian crosswalk.
- E.1.5. Operating any vehicle, motorbike, bicycle or electric scooter during hours of darkness without proper headlights, taillights or reflectors is forbidden.
- E.1.6. All operators and passengers of motorbikes, bicycles, electric scooters or similar types of cycles are required to wear helmets while the vehicle is in operation.
- E.1.7. All operators of any type of motor vehicle, bicycle or electric scooter shall yield right-of-way to emergency vehicles and pedestrians.
- E.1.8. Bicycles will be parked and secured to bicycle racks/pads.
- E.1.9. Neither bicycles, nor electric scooters may be operated, secured, chained or parked inside buildings, near doorways or entrances to buildings, on sidewalks, handicap ramps, handrails, light poles, fence/sign posts, stairwells, shrubs, trees, lawns, in pedestrian paths, in any location impeding pedestrian and vehicular movement, or in such a way as to create a hazard.
- E.1.10. Abandoned bicycles, or electric scooters will be picked up and impounded at regular intervals. A bicycle, or electric scooter may be considered abandoned if it is not moved or relocated within 30 days or is not in an operable condition.
- E.1.11. The University assumes no responsibility for the care and protection of any bicycle or electric scooter attached accessories, or contents at any time the bicycle or electric scooter is operated or parked on a University property.
- E.1.12. Failure to comply with these rules and regulations will result in impoundment of the bicycle or electric scooter, fines and towing. Neither the University nor its representatives will be held liable for any damage that occurs during removal or impoundment procedures. Bicycles and electric scooters will be removed or impounded by the University Police Department and assessed a \$25 fine.
- E.1.13. Bicycles may be claimed with proof of ownership by contacting the University Police Department during regular business hours, Monday-Friday, 8 a.m. - 5 p.m. After 60 days, unclaimed bicycles may be disposed of or auctioned off.
- E.1.14. The University Police Department does offer summer bicycle storage. For more information, contact UPD at 601.266.4986.

E.2. Policy Governing Use and Operation of Nonconventional Modes of Transportation (ATVs, etc.)

- E.2.1. The purpose of this policy is to establish operational guidelines for the use and operation of nonconventional modes of transportation on the campuses and teaching/research sites of The University of Southern Mississippi and to establish equipment needs, both required and optional, regarding these modes of transportation.
- E.2.2. A nonconventional mode of transportation is defined as any motorized vehicle, gas or electric-powered, that is used to transport people, equipment or other goods. Examples include, but are not limited to, golf carts, ATVs, UTVs, side-by-sides, lawn mowers, etc.

- E.2.3. These nonconventional modes of transportation will be operated in accordance with the “Rules of the Road” used by conventional modes of transportation.
- E.2.4. Operators will not use sidewalks as transportation routes. Sidewalks can only be utilized when a destination has been reached to accommodate delivery of goods or services, drop-off and pickup, or when job description/equipment allows for use in grass/sidewalk or for parking.
- E.2.5. When parking, operators should utilize areas that will not impede pedestrian or vehicular traffic. Operators are not to park in designated parking spaces, in a roadway, or in any tow-away zone.
- E.2.6. Operation will be in accordance with the manufacturer’s specifications, and there will be no modification to manufacturer’s safety equipment, e.g., speed governors, etc.
- E.2.7. All equipment on nonconventional modes of transportation will be maintained in good working order.
- E.2.8. Nonconventional modes of transportation will be properly marked with department/division name and unit number assigned by Motor Pool, which shall be visible from a minimum distance of 25 feet.
- E.2.9. The following equipment will be utilized on all nonconventional modes of transportation depending on time and purpose of use (required or optional):
 - E.2.9.1. windshield (required for golf carts, optional on all others)
 - E.2.9.2. flashing yellow caution light affixed to top or above roof (required)
 - E.2.9.3. rearview mirror (required)
 - E.2.9.4. headlights and rear lights/reflectors (optional for daytime use only, required for nighttime operation)
 - E.2.9.5. reflective triangular placard for off-road equipment (required)
 - E.2.9.6. horn (optional)
 - E.2.9.7. weather enclosure (optional)
