4. OTHER INFORMATION

4.1 Purpose: The purpose of this catalog is to establish a contract with contractors who shall provide vehicle rental services.

4.2 Attached Information: To assist travelers in utilizing this contract we have attached one document as follows:

A. Car Rental Contract Information - Vendor, contract number, rates, identification number, etc.

4.3 When a rental car is used in lieu of a personal automobile for official state business within the state, only the actual cost of the rental car can be claimed for reimbursement when such rental is less expensive than the current mileage calculation. The Bureau of Financial Control requires that the user show the comparison of the total rental car expense to the total mileage expense. Reimbursement for the lesser of the two expenses shall be shown on the travel reimbursement voucher. This reservation does not require the use of a state contract travel agency and may be made by the employee/agency.
4.4 A mid-size rental car is normally the largest rental that will be reimbursed. Naturally, there will be occasions for which a larger car will be required in order to carry out the state’s business. A statement from the employee explaining why a larger vehicle was required must accompany any Expense Voucher which includes the rental of any vehicle with a cost greater than a mid-size vehicle.

4.5 Charges for rental cars shall be allowed only when there is a demonstrated cost savings, including compensated employee time, over other modes of transportation, such as buses, subway, and taxis, and not for the convenience of the employee. The State WILL NOT reimburse for rental cars obtained for personal use, such as sightseeing or optional travel to/from restaurants, while on official business travel. Only the rental car which is consistent with the size requirement of the business task to be performed will be reimbursed.

4.6 The rental car contract includes unlimited mileage (unless otherwise specified), and free CDW/LDW insurance. The option to purchase insurance should always be declined and will not be reimbursed. All rentals require either a corporate or personal credit card. Be prepared to show proper identification when picking up rental vehicle.

4.7 Fill the car with gasoline prior to return. Otherwise, you may be charged for a full tank of gasoline even if the tank is 3/4 full when returned.

4.8 Exception to Waiver Requirement: You must use a state contract vendor. If a state contract vendor location is not available to you and a non-contract vendor will honor the state contract price, including insurance and unlimited mileage, an eWaiver will not be required to be submitted to the Office of Purchasing and Travel. If they will not honor the contract price (including insurance and unlimited mileage) you must submit an eWaiver to our office.
