

Library AI Access Program

SPRING 2027 APPLICATION

The Library AI Access Program provides mini-grants to help members of the Southern Miss campus community access an AI Pro tool for one semester. The program supports meaningful academic, research, creative, and professional projects.

\$150
MINI-GRANT

**20 selected students,
faculty, and staff**

ONE SEMESTER OF ACCESS

WHAT PARTICIPANTS WILL DO

As part of the application process, applicants will describe how their chosen AI tool will support their project or research and explain how they plan to use the tool during the Spring 2027 semester.

SPRING 2027 APPLICATION TIMELINE

Applications open **September 18**

Applications close **October 23**

Recipients announced **November 6**

For full details and to complete the application, scan the QR code or visit the Libraries' website.
