

## Coastal USM F&A Distribution Form

*Completed form must be submitted with the proposal in InfoEd. Proposal approval by PI, Co-PIs, and Unit Directors in InfoEd will serve as approval of this form.*

The purpose of this form is to determine the distribution of recovered facilities and administrative costs (F&A) for shared grants/contracts between collaborating coastal units during the proposal stage. This form only refers to the portion of F&A distributed to coastal units. See general practices and procedures in "Procedures for F&A Distribution & Form\_Coastal USM\_Signed" to aid completion of this form.
