IAC ROUNDTABLE AUGUST 6TH

Join us for the CLIT Industry Council Roundtable on August 6, 2013, from 9 a.m. to 1 p.m. at the University of Southern Mississippi campus in Hattiesburg. The meeting will be held at the Thad Cochran Center in Room 101.

We would like to encourage your participation in an open discussion to gather your ideas and thoughts about future objectives and initiatives of the CLIT in meeting the ever-changing needs and opportunities of the full supply chain, not just for manufacturers, but also suppliers and other participants. Your attendance and contributions are especially vital as we continue in the growth and development of the CLIT.

PAST EVENT

GOV. BRYANT TO LEAD TRADE DELEGATION TO BRAZIL

Hattiesburg, Miss. - Gov. Phil Bryant will lead a trade delegation to São Paulo and Rio de Janeiro in Brazil from Sept. 9-13. The Mississippi Development Authority is sponsoring the trip, which is not scheduled to go on the 0th of the year.

The trip is the first of its kind and a potential lead for other trade trips between the state and Brazil. The trip is scheduled to take place in April.

MISSISSIPPI HIGHWAYS 10TH BEST IN THE NATION

Mississippi ranks 10th in the 2013 annual highway report on the Performance of State Highway Systems. Mississippi has returned from 28th to 16th in the last three years. The study is conducted by the Research Foundation and is based on sampling and performance data submitted for all 50 U.S. states and five countries. The U.S. Federal Highway Administration provided the performance of state-maintained highway systems in 2013.

States from 10th to 20th. DRIVER behavior may make each state’s overall rating.
