The International Society of Logisticians (ISLog) Gulf Coast SOLE Chapter 05-01 will host a Case Study and a Presentation on Tuesday, June 9 at 6:00 pm and 5:00 pm, respectively. Dr. Ed Sullivan will be the Case Study Presenter.

Dr. Sullivan has served in key leadership positions of several organizations such as: Member of the Board of Directors of American Institute of Logisticians, President of Transportation Management Association of America (TMAA), President of the National Academy of Logisticians (NAL), and Editor of the Institute of Management Sciences (TMS) Proceedings. He is currently a Professor in the University of Southern Mississippi.

The Case Study will be given by Dr. Sullivan and will be on the subject of how to implement Lean Supply Chain Management (LSCM) to improve efficiency and reduce costs.
