Dewmar International BMC, Inc. Receives Excellence in Manufacturing Award from the U.S. Trade & Commerce Institute

The U.S. Trade and Commerce Institute said, "Each year the USTI conducts a business survey and industry research to identify companies that have achieved demonstrable success in their local business environment and industry category. They are recognized as having enhanced the commitment and contribution of small businesses through service to their customers and community. Small businesses of the caliber make the dreamer-driven states that Mississippi is renowned for."

Acco Brands Investing $1.1M, Adding 162 Workers

The company announced the $1.1 million investment yesterday. The state of Mississippi will give Acco $150,000 to help build, and the "自主创新 Valley Authority will assist.

The company, based in Lake Zurich, Ill., makes office supplies under various brands including handheld, Swinging, and Day Runner. It has more than 6,000 employees in the world.

Acco will spend $150,000 to renovate and expand its distribution center in Florenceville by 2020, making at least 150 job offers to state and federal aid and adding 30 jobs at the time.

"We are always looking for opportunities to take advantage of the well-trained and well-educated workforce defining Mississippi as a business destination."
