Good news awaits some recent college graduates. Employers plan to hire more graduates this year than in 2011 - but only in certain fields.

Health care, education and even financial sector jobs are in higher demand.

Employers responding to a 2012 Job Outlook Spring Update said they expect to hire 19.2 percent more new college graduates from the class of 2012 than they did from the class of 2011, according to a report from the National Association of Colleges and Employers website.
