What about a national association of CHWs?

Unity 2015, Plenary Session III
Why are we talking about this?

• Why is it important now?
• What have we learned from past efforts?
  – Panel
  – Discussion
Coming together
Envisioning what we want
Figuring out the pieces of the puzzle
Working as a team to put the pieces together
What structure will work?
4 Questions about a National Association

1. What is working in favor of starting a national association? against it?

2. What should its priorities be? What could/should it do?

3. What are the most important next steps?

4. What more would you and your colleagues need to know in order to support it?
