Mr. Marvin Adams, the 2005 Mississippi Technology Educator of the Year, will share his professional experience as the Technology Coordinator for the Columbia School District and his assistance in helping other schools with technology issues after Hurricane Katrina.

**Date:** Tuesday, April 4, 2006  
**Time:**  
5:30 pm—6:00 pm: Refreshments and Networking  
6:00 pm—7:00 pm: Mr. Adams’ Presentation  
7:00 pm—7:30 pm: ITSA Officer Election

**ITSA Officers for 2006-2007**  
Julie Green, a M.S. candidate in the Instructional Technology program, has balanced a professional career with her graduate studies and family life for the last 3 years. Green has been employed within iTech at the University of Southern Mississippi since August 1998. Presently, she is an Applications Administrator in the Enterprise Software Unit of iTech.

President: Amy Thornton  
Vice-President: Michele Mitchell  
Secretary: Kim Walker  
Treasurer: Shannon Gregory
Shannon L. Gregory, part-time graduate student in the MSIT program, will complete the program in fall 2006. Shannon has been teaching at Stringer Attendance Center for almost eight years. She truly believes in the impotence of incorporating technology into our classrooms.

Michele Mitchell, full-time graduate student in the MSIT program, will complete the program in fall 2006. Michele holds a B.S. degree from The University of Southern Mississippi. She is currently the BTLE facilitator for the Dept. of Technology Education.

Amy Thornton, part-time graduate student in the MSIT program, will complete the program in summer 2007. Amy holds a B.S. degree in Computer Science from The University of Southern Mississippi. Amy is also the Electronic Resources Specialist for the University Libraries at Southern Miss.
Kim Walker, part-time graduate student in the MSIT program, a clinical instructor in the Curriculum, Instruction, and Special Education Department, the director of the South Mississippi Writing Project. Before coming to USM last year, Kim served as a public school teacher for 18 years.
