Summer 2017

USM Study Abroad in Great Britain

Geography of Great Britain
(GHY 499/599)
- Focuses on the physical landscapes of Great Britain
  - Past environmental conditions
  - Human development
  - Future change

- June 1st – July 2nd, 2017
- Based out of the University of Westminster in London
- Trips into Wales and Scotland!
- Please note that we will spend most days outside the classroom, learning through a series of outdoor exercises, walking tours, field trips, and excursions. This course is for the adventurer at heart!
