

# WHAT TO BRING to Campus Housing

## WHAT TO LEAVE BEHIND

### Before You Pack

- ▶ Contact your roommate to avoid duplicate items.
- ▶ If you are traveling a great distance, consider purchasing some items once you arrive in Hattiesburg. There are various retail options close to campus (i.e., Walmart, Target, Bed, Bath and Beyond)
- ▶ Remember you can always pick up items on your next trip home or have family/friends send packages to you on campus.
- ▶ Visit [www.usm.edu/housing](http://www.usm.edu/housing) for room floor plans and video tours.
- ▶ You may not need every item on this list. The included items are simply things you should think about bringing.

### Room Decorating Policy

Students should be aware that the use of nails, staples or glue on walls is prohibited. 3M poster and/or picture hanging strips should be used to attach posters and pictures to the walls (when vacating the room, remove the poster/picture and leave the strip on the wall for maintenance to remove to avoid possible damage).

- ▶ Permanent adhesives (double-sided masking tape, contact paper, etc.) are not to be used. Wall borders of any type are not permitted.
- ▶ You may bring a rug from home. (DO NOT tape rug to floor. Rug pads may be used instead to keep it from moving)
- ▶ All items brought into the facilities during the year must be removed from the building at checkout.
- ▶ All upholstered furniture brought into the student's room must meet commercial fire codes.
- ▶ All residence hall furniture must remain in the room at all times.
