STATE OF MISSISSIPPI
VEHICLE RENTAL CONTRACTS

RENTAL CAR PROVIDERS

All faculty, staff, and students of the current State rental car contracts for use on official business that can help reduce travel costs. Did you know that on a day trip to the coast or to Jackson, using a state contract rental car could cut your costs nearly in half? Of course, those savings will depend on the distance, vehicle size, and number of days your travels keep you away from your office. Although you must purchase the fuel on your own and seek reimbursement through the Travel Office, you can pay for rental car using your USM procurement card if you have one.

Clicking on the link below will take you to the website set up for university employees to rent vehicles using the state contact. Make sure to use corporate ID# on page 2 if requested

- Confirm daily rate is state contract rate when checking out car
- Return Vehicle with full tank of gas or at same level when rented
- Full Size, Luxury or Sport Utility Vehicles require a WAIVER prior to renting. Waivers can be found on the Travel website under Travel Forms.

An intermediate size vehicle is normally the largest rental that will be reimbursed. Naturally, there will be occasions for which a larger vehicle will be required in order to carry out the state’s business. A eWaiver request form should be submitted along with the Travel Voucher for reimbursement. The state will not reimburse for rental cars obtained for personal use, such as sightseeing or optional travel to and from restaurants while on official state business travel. Only the rental vehicle which is consistent with the size requirements of the business task to be performed will be reimbursed.
