5.) Bids or proposals shall not be modified, corrected, altered, or amended after the specified closing time and the opening of such bids, unless otherwise noted in the request for bids or proposals.

6.) The University of Southern Mississippi reserves the right to reject any and all bids, to waive any informality in bids, and unless otherwise specified by the bidders, to accept any items on the bid. If the bidder fails to state the time within which bids must be accepted, it is understood and agreed that The University of Southern Mississippi shall have 60 days to accept.

7.) Contracts and purchases will be made or entered into with the lowest, responsible bidder meeting specifications.

8.) A written purchase order or contract award mailed or otherwise furnished to the successful bidder within the time of acceptance specified in the Invitation for Bid results in a binding contract without further action by either party. The contract shall not be assignable by the vendor in whole or in part without the written consent of The University of Southern Mississippi.

9.) Bid files may be examined during normal working hours by bid participants. Non-participants will be prohibited from obtaining any information relative to the bid until the official award has been made.

10.) If purchase orders or contracts are canceled because of the awarded vendor’s failure to perform or request for price increase, that vendor shall be removed from our bidders’ list for a period of 24 months.

11.) No addendum will be issued within a period of two (2) working days prior to the time and date set for the bid opening. Should it become necessary to issue an addendum within the two-day period prior to the bid opening, the bid date will be reset giving bidders ample time to answer the addendum.

12.) Alternate bids, unless specifically requested or allowed, will not be considered.

13.) Bid openings will be conducted open to the public. However, they will serve only to open the bids. No discussion will be entered into with any vendor as to the quality or provisions of the specifications, and no award will be made either stated or implied at the bid opening. After the close of the bid opening meeting, the bids will be considered to be in the evaluation process and will not be available for review by bidders. Proposal openings are not required to be open to the public; however, the resulting award is open for public inspection.

14.) Prices quoted shall be firm for the term of the contract or for the stated time of acceptance.
15.) The bidder understands that The University of Southern Mississippi is an equal opportunity employer and, therefore, maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, or any other such discrimination; and the bidder, by signing this bid, agrees during the term of agreement that the bidder will strictly adhere to this policy in its employment practices and provision of products or services.

16.) Bidders must upon request of The University of Southern Mississippi furnish satisfactory evidence of their ability to furnish products or services in accordance with the terms and conditions of these specifications. The University of Southern Mississippi reserves the right to make the final determination as to the bidder’s ability.

17.) Questions or problems arising from bid procedures should be directed to the Buyer listed on the solicitation at:

The University of Southern Mississippi
118 College Drive #5003
Hattiesburg, MS 39406-0001
Phone: (601) 266-4131

18.) All items must equal or exceed the specifications listed. The absence of detail specifications or the omission of detail description shall be recognized as meaning that only the best commercial practices are to prevail and that only first quality materials and workmanship are to be used.

19.) It is the intent of the specifications to obtain a product that will adequately meet the needs of the user while promoting the greatest extent of competition that is practicable. It is the responsibility of the prospective bidder to review the entire Invitation to Bid packet and to notify The University of Southern Mississippi if the Specifications, Instructions, General, or Special Conditions are formulated in a manner which would unnecessarily restrict competition.

20.) It shall be incumbent upon the bidders to understand the specifications. Any requests for clarifications shall be in writing and shall be submitted to our Procurement Services office at least five (5) days prior to the time and date set for the bid opening, unless otherwise noted in the bid or proposal specifications.

21.) The minimum specifications are used to set a standard and in no case are used with the intention to discriminate against any manufacturer. Bidders should note the name and the manufacturer and model number of the product they propose to furnish and submit descriptive literature.

22.) Trade names, brand names, and/or manufacturer’s information used in these specifications are for the purpose of establishing quality, unless otherwise noted. Bids on products of other qualified manufacturers are acceptable, provided they are demonstrated as equal to those specified in construction, design and suitability. Each bidder shall
submit with his bid a complete brochure with pictures on each item and shall point out specifically any deviations from the specified items. Failure to do so may disqualify any bid. Please bid as specified or an approved equal.

23.) A copy of the manufacturer’s standard guarantee/warranty shall accompany and become a part of this bid.

24.) There are no federal or state laws that prohibit bidders from submitting a bid lower than a price or bid given to the U.S. Government. Bidders may bid lower than U.S. Government contract price without any liability as The University of Southern Mississippi is exempt from the provisions of the Robinson-Patman Act and other related laws. In addition, the U.S. Government has no provisions in any of its purchasing arrangements with bidders whereby a lower price to The University of Southern Mississippi must automatically be given to the U.S. Government.

25.) All invoices, unless noted otherwise, are to be billed to:

The University of Southern Mississippi
Accounts Payable
118 College Drive #5104
Hattiesburg, MS 39406-0001

26.) All equipment bid shall be of current production and of the latest design and construction.

27.) Where all, or part(s), of the bid is requested on a unit price basis, both the unit prices and the extension of the unit prices constitute a basis of determining the lowest responsible and responsive bidder. In cases of error in the extension of price, the unit price will govern.

28.) Should the University of Southern Mississippi close due to inclement weather conditions, or any other unforeseen events on the bid opening date, sealed bids will open the following business day at the same time and location.

1.4. Terminology
The term "RFB" refers to this Request for Bids document.
For purposes of this RFB, the terms “Contractor”, “Vendor” and “Respondent” are used interchangeably.

For purposes of this RFB, the terms “The University of Southern Mississippi”, “Southern Miss”, “USM”, and “the University” are used interchangeably.

Any statement in this document that contains the word "must" or the word "shall" requires mandatory response and is so noted with “VENDOR RESPONSE REQUIRED”.

“Will comply” or “agreed” are used interchangeably to indicate that the Vendor will adhere to the requirement. These terms are used to respond to statements that specify that a Vendor or Vendor’s proposed solution must comply with a specific item or must perform a certain task.

“Acknowledged” should be used in each section when no Vendor response or Vendor compliance is required. “Acknowledged” simply means the Vendor is confirming to the University that the statement has been read and understood.

Technical terms used in this RFB are intended to follow industry conventions. Respondents should request clarification of terms wherever there is uncertainty as to the exact meaning.

1.5. Instructions to Vendors
Sealed bids for this RFB will be received in the Department of Procurement & Contract Services Office, Bond Hall, Second Floor, Box 5003, Hattiesburg, Mississippi 39406-5003 until 2:00 p.m. of the specified date on the cover sheet.

Each bid must be submitted in a sealed envelope bearing on the outside the name “University Firewalls,” the name of the Vendor, the Vendor address, and the notification of opening at 2:00 p.m. on the specified date on the cover sheet.
Any bid may be withdrawn prior to scheduled time for the opening of bids or authorized postponement thereof. Any bid received after the time and date specified will not be considered.

The University of Southern Mississippi reserves the right to accept or reject any or all bids and to waive any formalities.

Vendors are responsible for examining all specifications, terms, conditions, and instructions of this request. Failure to do so will be at Vendor’s risk.

Vendors need to use the same outline numbering, and respond to each one, even if the response is “No response required.” The Vendor needs to respond in writing with “acknowledged,” “will comply,” or “agreed” to any section that contains “must” or “shall” to confirm agreement. Failure of the Vendor to meet this requirement may cause a Vendor’s response to be thrown out and considered non-responsive at the sole discretion of the University.

If the Vendor cannot respond with “acknowledged,” “will comply,” or “agreed,” then the Vendor Must respond with “exception.” (See Section 5.15, for additional instructions regarding Vendor exceptions.)

Where an outline point asks a question or requests information, the Vendor Must respond with the specific answer or information requested. In addition, Vendor should provide explicit details as to the manner and degree to which the bid meets or exceeds each specification.

Many items in this RFB require detailed and specific responses to provide the requested information. Failure to provide the information requested will result in the Vendor receiving a lower score for that item, or, at the University’s sole discretion, being subject to disqualification.

Vendors must ensure, through reasonable and sufficient follow-up, proper compliance with, and fulfillment of all schedules and deliverables specified within the body of this RFB. The University will not be responsible for the failure of any delivery medium for submission of information to or from the Vendor, including but not limited to, public and private carriers, U.S. mail, Internet Service Providers, facsimile, or e-mail.

Vendors must submit all questions in regards to this bid no later than 5:00pm on Monday, February 27 to the contacts listed in Section 1.3. The University will respond by an addendum no later than the following Thursday, March 2. Extensions to the bid due date will only occur if deemed necessary by the University to allow Vendors sufficient time to review the responses.

To ensure equal treatment for each responding Vendor, all questions regarding this RFB must be submitted in writing to this RFB’s contact person for more information, and no later than the last date for accepting questions provided in this RFB. All such questions will be answered officially by the University in writing. Pertinent questions and answers will become addenda to this RFB. After an award has been made, it will be necessary for the winning Vendor to execute a contract with the University. The inclusion of this contract does not preclude the University from, at its sole discretion, negotiating additional terms and conditions with the selected Vendor(s) specific to the projects covered by this RFB. If Vendor cannot comply with any term or condition of this Standard Contract, Vendor must list and explain each specific exception on the Bid Exception Summary Form included in this RFB. The Bid Exception Summary Form must be submitted to the University with the signed Bid response.

The bid response SHOULD include guaranteed pricing for an option to renew the contract annually for up to four (4) additional years. Renewal for up to four (4) additional years is not guaranteed and at the discretion of the University; whatever is deemed to be in the best interest of the University.

The University requires one point of contact for management of the implementation and services of this purchase contract.

5.4. **Draft Purchase Agreement**

Intentionally left blank.

5.5. **Payment**

The currency used for payment of costs will be in United States dollars.

The University is to be invoiced to make one payment for all hardware once it has been received.

State law requires that the University receive an original invoice from the Vendor and that payment of the invoice is processed within 45 days of receipt (Miss Code 31-7-305). The invoice should be on the Vendor's letterhead and/or include an original Vendor representative signature.

USM may choose to use a VISA® Purchasing Card and E-Payables PAVA process for invoice payments in place of a check to pay for purchases from this solicitation. Unless exception is noted in the bid response, the bidder, by submitting a response agrees, to accept the VISA® Purchasing Card and E-Payables PAVA process as an acceptable form of payment and may not add additional service fees/handling charges to purchases made with the VISA® Purchasing Card.

5.6. **Pre-Payments with Pro-Rata Refund**

State law (Section 31-7-305 of the Mississippi Code Ann.) authorizes the issuance of payment after receipt of the invoice and receipt, inspection, and approval of the goods and/or services. The intent is that goods and services must be received, inspected, and accepted prior to payment. Pursuant to this requirement, where pre-payment has been authorized, all pre-payment contracts will require the following statement in the Termination section: "Upon termination of this Agreement by Licensee or by Licensor, Licensor shall issue Licensee a
refund of a proportionate share (based on the number of days in the term year before and after the termination) of the Annual Fees paid with respect to that term year.”

5.7. **Purchase contract Components**

This RFB, written questions, answers to questions, Vendor’s bid, and other documents associated with this RFB may become part of the resultant purchase contract.

5.8. **Changes to Purchase contract**

During the course of the delivery and ordering process, either party may issue requests for changes in the purchase contract. This shall take the form of either a modification to the original purchase contract or a written Addendum which, if accepted by both parties, shall be executed as a change to the purchase contract, which will thereby be amended to the extent of the change. In no event shall changes involving extra costs to The University of Southern Mississippi be allowed to proceed without prior written approval.

5.9. **USM Terms and Conditions**

Unless written exception is provided in the RFB response, the winning Vendor agrees to be bound by the USM Terms and Conditions, which are incorporated herein, and may be found at http://www.usm.edu/procurement-contract-services/usm-terms-and-conditions.pdf.

**VENDOR RESPONSE REQUIRED:** Vendor will comply OR Vendor Exception.

5.10. **Materials and Warranties**

All materials provided to the University under the purchase contract **MUST** be newly manufactured and carry the manufacturer’s original warranty.

All materials **must** be unaltered and conform to the manufacturer’s official published specifications. The warranty **shall** begin at the material acceptance date and remain in effect for the manufacturer’s standard product warranty period.

The Vendor **shall** agree to repair, adjust, and/or replace (as determined by the University to be in its best interest) any defective materials at the Vendor and/or manufacturers’ sole cost. The University will incur no costs for service or replacement of materials during the warranty period.

The Vendor will be the sole point of contact for warranty issues.

**VENDOR RESPONSE REQUIRED:** Vendor will comply OR Vendor Exception.

5.11. **Final Acceptance**

The following requirements **must** be met before the purchase will be considered complete and final payments made. A minimum of fifteen (15%) percent of the purchase contract price may be held until final acceptance.

- An inspection by University personnel will have been completed and all issues and/or defects will have been resolved and brought into conformance with the letter and spirit of the specifications, terms, and conditions of the purchase contract.

- Acceptance of the licenses, software and/or equipment (if required) and the release of final payment will be dependent on the items meeting specifications set forth in this RFB without defect for a period of 45 days.

The University of Southern Mississippi reserves the right to itself or its designated representatives to inspect and approve all items included in this purchase.

**VENDOR RESPONSE REQUIRED:** Vendor acknowledges OR Vendor Exception.
5.12. Legal and Regulatory Compliance
Respondents are required to comply with all applicable local, State and Federal laws, codes, ordinances, and regulations in the provision of the materials required.

Respondents **must** comply with Personally Identifiable Information (PII) data protection with regard to State, Federal, and University regulations and policies.

**VENDOR RESPONSE REQUIRED:** Vendor acknowledges OR Vendor Exception.

5.13. Patent Infringements
The Vendor **shall** agree to indemnify The University of Southern Mississippi with respect to any legal suit, claim, or proceeding, which may be brought against it claiming the use of the proposed material constitutes an infringement of any patent or trade secret. The Vendor will further agree to defend the University against any such claims and to pay all litigation costs, attorneys' fees, settlement payments, and any damages awarded or resulting from any such claims.

**VENDOR RESPONSE REQUIRED:** Vendor acknowledges OR Vendor Exception.

5.14. Valid Purchase Contract Required to Begin Work
The winning Vendor should not commence any billable work until a valid purchase order and applicable contract have been executed. Any work done by the winning Vendor prior to the execution of the purchase order and applicable contract is complete will be at the Vendor's sole risk. The University is under no obligation to pay for work done prior to the execution of a purchase order and applicable contract.

5.15. Segmentation of Award
The University will award the contract to a single vendor, but reserves the right to make to select features, functions and/or hardware on an all, none or line by line basis, whichever is deemed to be in the best interest of the University. The itemization of costs **must** be detailed enough to allow for such changes and to make appropriate and fair cost adjustment calculations resulting from such changes reasonable and manageable.

5.16. Bid Exception
Please return the Bid Exception Summary Form at the end of this section with all exceptions to items in any Section of this RFB listed and clearly explained or state “No Exceptions Taken.” If no Bid Exception Summary Form is included, the Vendor is indicating that the Vendor takes no exceptions to any item in this RFB document.

5.16.1. Unless specifically disallowed on any specification herein, the Vendor may take exception to any point within this RFB, including a specification denoted with "shall" or "must," as long as the following are true:
- The specification is not a matter of State law;
- The bid still meets the intent of this RFB;
- A Bid Exception Summary Form is included with Vendor's bid; and
- The exception is clearly explained, along with any alternative or substitution the Vendor proposes to address the intent of the specification, on the Bid Exception Summary Form.

5.16.2. The Vendor has no liability to provide items to which an exception has been taken.
The University has no obligation to accept any exception. During the bid evaluation and/or
purchase contract negotiation process, the Vendor and the University will discuss each exception and take one of the following actions:

- The Vendor will withdraw the exception and meet the specification in the manner prescribed;
- The University will determine that the exception neither poses significant risk to the project nor undermines the intent of this RFB and will accept the exception;
- The University and the Vendor will agree on compromise language dealing with the exception and will insert same into the purchase contract; or
- None of the above actions are possible, and the University either disqualifies the Vendor’s bid or withdraws the award and proceeds to the next ranked Vendor.

5.16.3. Should the University and the Vendor reach a successful agreement, the University will sign adjacent to each exception which is being accepted or submit a formal written response to the Bid Exception Summary responding to each of the Vendor’s exceptions. The Bid Exception Summary, with those exceptions approved by the University, will become a part of any purchase contract on acquisitions made under this RFB.

5.16.4. An exception will be accepted or rejected at the sole discretion of the University.

5.16.5. The University desires to award this RFB to a Vendor or Vendors with whom there is a high probability of establishing a mutually agreeable purchase contract, substantially within the standard terms and conditions of the University’s RFB, including the Standard Contract in Exhibit A, if included herein. As such, Vendors whose bids, in the sole opinion of the University, reflect a substantial number of material exceptions to this RFB, may place themselves at a comparative disadvantage in the evaluation process or risk disqualification of their bids.

**BID EXCEPTION SUMMARY FORM**

**VENDOR RESPONSE REQUIRED:** List and clearly explain any exceptions, for all RFB Sections and Exhibits, in the table below. If no exceptions are taken, please note “No Exceptions” in item 1 in the table below.

6. Scope of Work

6.1. Introduction
The University of Southern Mississippi wishes to purchase two (2) firewall appliances.

6.2. Objectives
The intent of this RFB is to establish a University standard for firewall appliances.

6.3. Criteria for Award of Purchase contract:
The Vendor selected for an award will be the Vendor whose bid, as presented in the response to this RFB, is the most advantageous. The university is not bound to accept the lowest priced bid if that bid is not in the best interest of the university as determined by the Evaluation Committee.

Consideration may also be given to any additional information and comments if they should increase the benefits to the university. Upon completion of the initial review and evaluation of the bids submitted, selected Vendors may be invited to participate in oral presentations.

All bids will be evaluated by appointed representatives of the university in accordance with the following procedures:

1. The Appointed Representatives of the Evaluation Committee will evaluate the vendor written responses on the criteria set forth under Instructions to Vendors in Section 1.5.
2. The written responses will be evaluated by the Evaluation Committee on the Criteria listed under Detailed Specifications and Requirements (Section 6.5).
3. The initial evaluations will take place separately and without discussion among Evaluation Committee members. The Evaluation Committee members will then meet to identify the top bids for further consideration.
4. If Oral Presentations are required, a series of questions will be prepared by the Evaluation Committee and presented to each Short Listed vendor by purchasing representative. Additionally, a set schedule will be made available from which a Presentation date will be chosen by vendor.
5. If the Evaluation Committee determines that Oral Presentations are not required the determination of the preferred vendor will be communicated to the USM Department of Procurement and Contract Services.
6. After a preferred vendor is identified, a purchasing representative will send notification letters (via e-mail) to all vendors regarding Evaluation Committee’s decision to award.
7. Responses must be in the same order as the criteria.

Cost Evaluation - Points will be assigned using the following formula: 

\[ (1 - \frac{B-A}{A}) \times n \]

Where:
A = Total lifecycle cost of lowest valid bid
B = Total lifecycle cost of bid being scored
n = Maximum number of points allocated to cost for acquisition

The University will also consider and evaluate alternate licensing, volume pricing, or enterprise agreements that meet all the requirements below, and offer related value-added services.

6.4. Mandatory Provisions in this RFB
- All items in the technical specifications of this RFB are considered MANDATORY. Vendors are specifically disallowed from taking exception to these mandatory
requirements, and bids that do not meet all mandatory requirements are subject to immediate disqualification, at the sole discretion of the University.

6.5. Detailed Specifications and Requirements

The Vendor response **must** meet the following specifications and requirements. The Vendor **must** include a response to each of the items below. A simple yes or no **WILL** be accepted. For all applicable items, a detailed explanation should be included.

- Vendor **must** provide per item maintenance charges that will be valid for one (1) year.
- Vendor **should** provide per item maintenance charges that will be valid for four (4) additional years.

Note 1: The university is not requesting application layer visibility or IPS in this bid.
Note 2: No optics are being requested in this bid.

6.6. Additional Requirements

The University acknowledges that the specifications within this RFB are not exhaustive. Rather, they reflect the known requirements that must be met by the proposed system. Vendors **must** specify, here, what additional components may be needed and are proposed in order to complete each configuration.
6.7. Delivery
Anticipated delivery before May 31, 2017. If Vendor is unable to meet this timeframe, the Vendor **SHOULD** describe the best possible delivery schedule. The delivery schedule will be scored based on the Vendor’s ability to meet the anticipated implementation as closely as possible.

**VENDOR RESPONSE REQUIRED:** Vendor acknowledges delivery timeframe can be met OR Vendor Exception.

7. Costs

7.1. Cost Information Submission

**VENDOR RESPONSE REQUIRED:** Vendors **must** propose a summary of all applicable project costs in the matrix that follows. The matrix **must** be supplemented by a cost itemization fully detailing the basis of each cost category. The level of detail **must** address the following elements as applicable: item, description, quantity, retail, discount, extension, and deliverable. Any cost not listed in this section may result in the Vendor providing those products or services at no charge to the University or face rejection of bid. If your response to this RFB does not include an item listed below in the far left column, "Not Included" may be used.

The Vendor may choose to provide a fixed annual cost for ongoing maintenance and support, or elect to provide a Maximum Annual Increase percentage in the last column provided.

Cost Information Submission amounts for all hardware, software, maintenance, consulting services, personnel, fees, permits, and any other costs **must** be provided. The total of the Cost Information Submission list **must** equal the total cost of the invoice.
7.2. **No Unspecified Costs**

Only items included in the Cost Information Submission list will be considered part of the bid and only those items will be included in any payments to the Contractor.

If any component(s) necessary for operation of the requested system is omitted from Vendor’s bid, the Vendor **must** be willing to provide the component(s) at no additional cost and included at the price in this RFB response. This includes, but is not limited to, all cabling, connectors, raceway, etc. necessary to render the configuration fully operational.

**Vendor Response Required:** Vendor acknowledges OR Vendor Exception.

7.3. **Price Changes during Award or Renewal Period**

A price increase will not be accepted during the award period or the renewal period, unless stipulated in the **purchase contract**. However, the University will always take advantage of price decreases.

7.4. **Expiration of Costs Proposed**

The bid response price will be guaranteed for a minimum of ninety days from bid opening date.

The University reserves the right to renew this contract with the winning Vendor on an annual basis. The bid response **should** include guaranteed prices for annual renewals up to four (4) additional years.

**Vendor Response Required:** Vendor acknowledges OR Vendor Exception.

7.5. **Best and Final Offer**

The University reserves the right to solicit Best and Final Offers (BAFOs) from Vendors, principally in situations in which bid costs eclipse available funding, or the University believes none of the competing bids presents a Best Value (lowest and best bid) opportunity. Because of the time and expense incurred by both the Vendor community and the University, BAFOs are not routinely conducted. Vendors should offer their best pricing with the initial solicitation. Situations warranting solicitation of a BAFO will be considered an exceptional practice for any procurement. Vendors that remain in a competitive range within an evaluation may be requested to tender Best and Final Offers, at the sole discretion of the University. All such Vendors will be provided an equal opportunity to respond with a Best and Final Offer under a procedure to be defined by the University that encompasses the specific, refined needs of a project, as part of the BAFO solicitation. The University may re-evaluate and amend the original project specifications should it be deemed necessary in order to improve the opportunity for attaining Best Value scenarios from among the remaining competing Vendors. All BAFO proceedings will be uniformly conducted, in writing, and be subject to solicitation by the University and receipt from the Vendors under a precise schedule.
APPENDIX A- Standard Contract

A properly executed contract may be a requirement of this RFB. After an award has been made, it will be necessary for the winning Vendor to execute a contract with the University. The inclusion of this contract does not preclude the University from, at its sole discretion, negotiating additional terms and conditions with the selected Vendor(s) specific to the projects covered by this RFB. If Vendor cannot comply with any term or condition of this Standard Contract, Vendor must list and explain each specific exception on the Bid Exception Summary Form included in this RFB.
